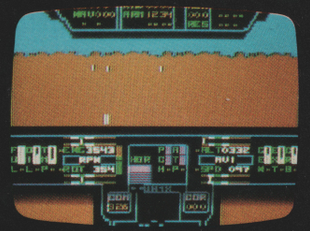
SUPER HUEY

for APPLE® IIc & IIe

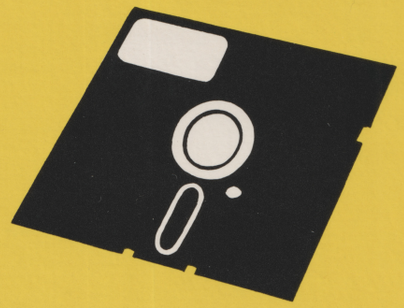
HELICOPTER FLIGHT SIMULATOR



Super Huey is a new, experimental high-performance helicopter utilizing the latest in electronic control systems and stabilization, and YOU are going to learn how to fly it! Space age controls and instruments, along with an in flight computer, teach you the intricacies of rotary wing aviation. Test your skill in the sky with challenges of solo flight, exploration, rescue and combat. Study the instructions carefully . . . you're going to be tested!

For use with: Apple® IIc & IIe Personal Computer System.

This package contains:
One (1) program diskette
One (1) instruction manual



This Limited Edition Super Huey Poster Is Now Available
